

Admin & Financial Management

Summary of Service:

As implementing partner, we have an open and transparent working relationship and therefore our accounting is run independently, through an auditing firm with company funding ring-fenced to your specific projects.

All payments are done in accordance with:

- Contractual requirements
- Scope of work
- Payment certificates on progress
- Mandated signatures
- Monthly financial reporting
- Payroll and/or wages of community projects
- Admin relating to BEE Requirements such as: Jobs created, training, etc.

Our Vision & Mission

To make a collaborative impact through strategic partnerships to benefit the community, business and local government, where dreams overflow into prosperity.
